What Is Your Fair Share?

This past week, we mailed re-registration forms for 1983-84 to all members in good standing. It is time for you as a member to re-register for the coming year and to consider what your Fair Share Dues will be. Every member must re-register and pledge to Fair Share each year. Temple Beth Am has been able to balance its budget for most of the past years due to the expeditious cost control, a slow growth in membership each year, and the generosity of our members in raising their level of Fair Share giving.

Our Constitution reads as follows: "The purpose of Temple Beth Am shall be to maintain a Reform religious institution that will meet the spiritual, educational, social and cultural needs of its members."

The Temple was founded on the premise that we all undertake to do our best to help our fellow man. The Temple has always maintained an open membership with families joining at whatever level of giving they could afford.

This idealism and morality carries with it a corresponding obligation that each member do his share in helping with monetary support to sustain the Temple so that we can provide the highest levels of spiritual, educational, social and cultural needs of our members, both young and old.

Beth Am has many families who cannot pay the minimum dues and many families who can afford little or nothing. We must rely on the generosity of those who can afford to contribute at higher levels for our support. We can be proud that members contribute sufficient funds to meet our budget. We are sure this will be the case this year.
