

4) Others - Source of a mother's  
Love - God -

God - great power that pumps love  
into the world -

mother - pipeline that houses  
way of entry -

7) maybe instinct  
in God -

whichever

Greatest role anyone can play in  
the world - <sup>not so</sup> King + giving  
mother - [Set example for children or follow]

breathe life into a child - <sup>both</sup>  
physically + spiritually - <sup>has</sup>  
<sup>got to be the</sup> most meaningful of all roles

<sup>more</sup> requires more character, <sup>more</sup> intelligence,  
talent - than any other career

k) today - some women - rather  
run a business (a.k.a.) -  
but run a house higher vocation  
not only a manager -  
teacher, psychologist,  
Yes an artist - imaginative  
creative

g) Not all mothers - perfect  
in fact - no - is perfect -  
became so varied - demands -  
but most mothers do well enough  
to earn our respect + gratitude -  
+ Love -

No child ever quite feels the same  
towards anyone else as he does towards  
the person who feeds him -  
who lifts him up when he falls down  
who kisses away his tears -

The luckiest person in all the  
world is the person who has  
a good mother - I was such a  
person - I hope you are.

## 3 cheers for mother

We take many things for  
granted :

1) Daddy will pay the bills

a) where food comes from?

b) in house - - -  
Who pays rent

2) Electric Lights will go on  
<sub>Switch -</sub>

a) what makes them go on?

b) soon - before or end -  
not always there -

3) most tasks for granted -

mother -

a) take care of us -

b) Cook for us -

c) wash + iron clothes

d) clean house

e) patch up our cuts + bruises

f) forgive us

4) We never ask - what makes  
a mother act so motherly? -  
what makes her care - work so hard  
what's the energy source that feeds her -

5) Some <sup>would</sup> answer -

instinct - same animal instinct

that makes a bird mother take care of its babies

"Just happens" = Loving - caring -  
just something that automatically <sup>exists</sup>  
flows w/ being a mother -  
Like magic

9) When you get home -

Young enough or have a

mother -

be sure to hug her -

Thank her - for just being a

mother -

or call her on the phone -

or say good things to her

For a person only her as mother -

• not much time to thank her.

1) Why? Why? Why?  
God -

Why? Why? Why?  
God -

Why? Why? Why?

Why? Why? Why?
