Wise person - learns fr everything
 + everyone -

 more fr my friends + most fr my
 students.

Hoovay School is opening

Spang Rabbi A Kiba -
 originally a shepherd - wanted
 to be a Rabbi - too poor to
 pay for lessons - no rich man to
 give him scholarship -
 climbed on roof of the school -
 look thru hole in roof - listen
 to teacher & students -
 did this ^{every day} for years -
 finally someone discovered him
 in the act -
 "if you want to learn so much,
 you can come in the school free" -
 became one of greatest Rabbis.

interesting thing - A Kiba quite old
 when he 1st began his studies under
 a Rabbi -

 student of) scholar - privilege - often sake
 for granted.
