B2/ but unless - we can forget old wounds -  
no real forgiveness -

Paradox - <sup>empt. of forgiving - forgetting</sup>  
need to remember -

D. <sup>Part of you want to be generous</sup>  
Other part want to be angry - anger being <sup>angry</sup>

D. R. # - old. God forgive -

Do you know your sins are as scarlet (red)  
shall be ~~as~~ white as snow ?

Words of <sup>reproach</sup> God - I am God & not man -  
I will not punish you even though you deserve

I will not be angry - forgive.

God wipes slate clean -

but we are men & not God - can we do it ?

Hard - or hard

E.) Learn something right - may make us less angry

frequently - we blame the wrong person for what  
happened us -

Sorry - bus - Japan -

mother angry at father - hit child -

big brother angry at mother - hit little sister

Father angry at boss - yell at mother

(2nd bus) -

most of us angry - for things happened when we were  
boys & girls - carry this hurt & anger all the  
days of our life - when we grow  
up, we

P. 3

take it out on the person nearest to us -  
"always hurt the one you love" - one pleases -

→ sorry - woman → husband - criticism -  
brother -

Conclusion - ~~don't~~ try to understand - the thing you think  
you are angry about - probably not the  
cause for your anger -

Goes back to childhood -  
learn how to forgive those nearest to you  
& "be" "yourself" -

at least - Tell the person we're hurting -  
"You know - I love you - anyway -"  
if we can't forgive - say I love you anyway  
it helps -
