

2) Another man like S.C. in some way - diff. in other.

Some people like this other man better than S.C.

? - who is this man that some people like better than S.C. - who is the man ~~who~~ he has been famous for a

time much longer than S.C.?

S.C. has been known for only a few hundred yrs. This other man has been known for thousands of yrs.

The name of this other man - so many people like very much - is ELISAH.

3) Now ELISAH is a very mysterious man - when I was a young boy -

a) I ~~had~~ <sup>went</sup> to a party & nobody heard someone say - ~~that~~ <sup>was</sup> the name of the man who sat on that chair - he is for Eljah. I looked & looked for somebody or sit on that chair - but nobody did.

The party was what we call a circumciser party - & it was in honor of a little baby boy who was being named.

## ELISAH / Santa Claus

1) Why people like Santa Claus

- a) discription - Jolly old man, white beard, Red uniform.
- b) Lives - at No. Pole.
- c) works - all yr. these making toys - w/ his elves.
- d) Comes south - at end of December - on his sleigh - w/ his reindeer - brings little children presents.

2) Everybody knows what Santa looks like - think they saw him - in dept stores - toy shops -

Truth is - <sup>has</sup> ~~no one~~ ever seen S.C. those men you see dressed up - red suit - white beard - just actors - paid money to dress up to look like S.C. Truth - no one has ever seen S.C. - yet some people believe there is a real S.C. - somewhere at the No. Pole.

174 I heard as I grew older  
that everytime a new baby boy is  
born - a circumcision party is  
given - & someone sets aside a  
special chair & sayar

כ'ע"ב) 1) 'ה' כ'ע"ב) 2) 5

This is the chair for Elijah the  
Prophet.

I have learned that Jews follow  
one custom bec. Elijah is said to  
be the special friend of young boys  
& girls - & he is supposed to watch  
over boys & girls to see that no  
harm come to them.

4) Now Elijah is a very mysterious  
man for another reason.

When I was a little boy -  
I was enjoying the Passover Seder -  
w/ all the matzah - & mezzemone cookies  
& scilly candles - when my father said,  
Open the door for Elijah the Prophet.

I went to the door & opened it -  
& nobody was there.  
"Leave the door open," my  
father said, & Elijah

will come in!" & my father poured  
a special cup of wine for Elijah.  
When the seder was over my  
father wanted me to look in the cup  
of wine to see if Elijah had come - if  
I <sup>found</sup> any <sup>mezzemone</sup> <sup>mezzemone</sup> the cup  
which my father had poured to me  
top - was half empty!

Elijah had been in my house  
& he had drunk some wine  
but I must out you - I didn't  
even see him.

When I grew older I learned  
why every Jew-house opens the door  
for El. @ Passover - you see the Messiah  
is supposed to come at Passover time,  
bringing w/ him an end to war  
& all good things - & Elijah is  
the man who is going to announce  
the coming of the M.

The Bible tells us that  
Elijah will go around yelling -  
"make ready for the end of war -"  
"all good things  
bec. the M. is coming"

Mr. Beck into his hands when  
he was hungry

There is only one story about  
S.C. - but there are 1,000 stories  
about El. There were people in  
that for 2700 yrs El. has been coming  
back to earth to help children &  
children & all poor people. We are  
not that he doesn't come only in  
the month of Dec. (like J.C., B.E.).  
Come see the spirit, almost any day.

But when El. comes, no more  
will we, he doesn't come in his fancy  
people's whole life, but come dressed  
in diff. ways.

you can always tell S.C. in his  
and suit - but El. may come dressed  
like you or me. El. may come, we are  
well dressed as a poor person -  
wound in paper like a poor man or  
poor woman, or poor child. El. doesn't  
but way we are well or best we -  
if we take care of the poor person,  
El. will take care of us when we need  
help.

Now you may ask - why  
no in? + I can only answer  
in another spirit. I think will  
just talk about Elgid.

Now you may ask - if none  
we know what he looks like.  
Well 1st part let us be said. There  
plenty of people saw Elgid when  
he 1st lived. El. lived about 500  
BCE or 2700 yrs ago, & he was a  
famous prophet. Not a famous  
or more - but almost - he  
Bible tells us that El. brought  
back to life a young boy who had  
died -

\* No Bible tells us that El.  
saw a widow's children & slavery,  
& he got a great deal of money,  
her or pay her debt. [I'm wrong!]  
S.C. - we can well see a red suit -  
that El. had a purple suit -  
white streaks. S.C. has a white  
head. El. had a beautiful thick  
head - & he always walked around  
with a long stick.

#11) You can see S. C. by what he  
looks like - but you can see  
El. by what he does.

if you see a ~~mysterious~~ person  
helping the poor, not every person may  
be Elijah

once, when I was a young  
boy, I saw a poor man in rags,  
+ I said to my father, "do you think  
that is Elijah. maybe it is, my father  
said."

then my father said, "you know,  
there is a little bit of Elijah in  
all of us!"

Elijah could look like that  
man; he could look like me, or  
he could even look like you."

and since that day I have  
met other mysterious men Elijah  
El. by the way he looks; but by  
what he does."
