- I. Record
- II. Projected Needs for Future

SECTION I

Record

Final record:

19 wins 20 losses

Record against four year schools:

9 wins 13 losses

Record against Junior Colleges:

10 wins 7 losses

Number of 1 point losses:

4

SECTION II

Projected Needs for Future

- 1) Tennis courts and stadium (total No. 26+)
- 2) Adequate equipment and travel budget
(approx. \$10,000/year)
- 3) Adequate scholarship monies
(approx. \$25,000/year)

The above needs must be met if the following are to be achieved:

- 1) We want a team that can compete with Miami, Florida, Florida State and Rollins (Note: these schools are in Florida)
- 2) We expect to attract the top junior college players to FIU (we must do this because even these players are usually not the best caliber)
- 3) We expect to attract any good foreign players to FIU.
- 4) We expect to attract and hold any tournaments at FIU.
- 5) FIU is desirous of having a tennis team that can bring the prestige it should to such an institution.
