SECTION IV  
Golf Courses

For our first year we were fortunate to have practice privileges at the following courses:

Palmetto

Miami Lakes

Le Jeune

Miami Springs

SECTION V

Problems Encountered

The Florida Intercollegiate Golf Coaches Association did not accept us automatically since we were not a member of the NCAA. I asked for and was granted this body. I was then permitted to join the Association and in the future years full participation in all Golf Tournaments can be expected.

SECTION VI

Statement by Coach

It was an excellent first year of Golf for FIU, and gives promise to national prominence for future teams in NCAA Golf.
