SECTION I

Women's Varsity Volleyball 1972-73

The first women's varsity volleyball team at FIU was basically an inexperienced one. Of the eight team members, only three women had participated in volleyball on a similar competitive level.

The team improved steadily over the two-month practice and game schedule and ended up finishing 11th out of the 14 teams competing in the Senior College State Collegiate Tournament. The overall match record was 1-13 for seven scheduled matches and two tournaments.

The names of the team members were:

Becky Giles, Captain
Wendy Heilman
Marlene Joseph
Kathy Maquire
Jeffe Pruett
Judy Scarano
Carolyn Smith
Rosa Soler

Due to an anticipated influx of junior college transfers, I am looking forward to a better season in 1973-74. To insure this, it is hoped that the Youth Fair building can again be secured for team practices in the absence of our projected athletic facilities on the campus.

SECTION II
