CHAIRMAN'S REPORT

by Greg Perry.

During recent weeks the enthusiasm shown by many students towards FLORIDA INTERNATIONAL HOSTS has been for greater than what we expected and almost as much as we had hoped.

Our membership is still growing at a steady pace and the future of our organization looks healthy and bright. Much of the credit for this success can be attributed to the various committees who have worked so very hard to establish the stable foundation that's required to maintain a flourishing organization. Their continued success however, will depend upon your support. We have a lot of activities ahead of us, and your help and ideas are wanted.

As the Holiday Season grows near, and all of us anticipating a joyous time, we must realize that many of our members will be leaving campus to return home for a reunion with family and old friends.

This could be a crucial time for F.I.H. and this is why the organizational structure of the club must be maintained, and activities for the Winter quarter must be planned. Some of us will be remaining on campus during the holidays, planning for next quarter; anyone who wishes to help during this period should contact either Frank Go or myself. Remember we have a winner in our organization - lets not let it die for lack of attention.

In closing I would like to wish everyone a joyous and healthy Holiday and a safe return to F.I.U. See you all in January!!!

MOVE

Our School Headquarters are "unofficially" on the move on December 12, 1972.

The trailer will be exchanged for better offices in La Deuxieme Maison, on the 4th floor.

LAST MINUTE NEWS:

PROFESSOR MORGAN'S FOOD LAB.

Next term, a new food lab will be ready for use by our student on the third floor of Primera Casa.

This basic food lab will deal with all aspects of food processing.

Each term a maximum of 20 students will participate in the principals of food preparation.

Prof. Morgan adds : "Rather than training the students to be a cook, we would like them to understand what can happen to food, and how temperatures and cooking media affect food structures .

Also this course will give each student an idea about the problems that face a chef in a kitchen operation."

Students will be working in teams on the preparation of a different item each week.

For their final, each student will have to prepare an assigned dish.

A trade show was held in Kingston, Jamaica recently, sponsored by the Board of International Trade of Miami.

The largest exhibition at the show was Eastern Airlines.

The overall theme of their promotion was Walt Disney World.

Also participating were the State of Florida, F.I.U., F.A.U. and the University of Miami.

Students representing F.I.U., F.A.U. and the University of Miami accompanied the exhibitors on the trip. The School of Hotel, Food and Travel was represented by Professor Huse and me.

Jim Saas.

MEMBERSHIP F.I.H.

Already we have around 50 paid members in "Florida International Hosts" and that number keeps increasing. If you like to become an F.I.H. member, contact :

GENERAL INFORMATION

Timm L. Martens

Work goes on during our PROBATION PERIOD (xmas break) - while some of the factions of F.I.H. spread themselves out over the country, others like Frank Go, Charlie Beeler, and Greg Perry will continue to keep things rolling for us. A few of the things on store - letters of introduction to the leaders in our industry, officially letting them know that we are here. This will be followed up by cards of Season's Greetings. January 14, is the date set for a welcoming back cocktail party, and details are already being worked out.

Through Eric Bylock, F.I.H. got hold of "Brothers Two", a nice spot to come out to, Sunday December 3, after 5.00 P.M. for a Social Gathering.

We are expecting Faculty and their wives and all students and friends. Eric, who is employed at Brothers Two has assured us a pleasant evening on these premises.

So we'll see you all on Sunday in the "Brothers Two", 885 Southeast 14th Street, Hialeah!

faculty | hospitality

Several International Students were invited at the homes of some faculty members for a real American Thanksgiving dinner.

The turkey tasted delicious, the atmosphere was just right and the company great.

Thanks is extended to the wives of our professors who made this possible

DEAN'S CORNER

On behalf of the faculty and staff, may I wish you all a Merry Christmas and a most enjoyable holiday.

When you return, two new faculty members will be on board to work with you. Mrs. Marilyn Motto one of the first hotel and restaurant designers in the country will give course HRM 445 and Mr. Edwin Dean will teach course 425. Mr. Dean is one of the first personnel men in the industry.

More companies will be here recruiting in the new year. Among them are Sheraton and United Inns. More will follow.

Happy Holiday - see you in January.
