David - I am not exactly sure what she wants either. Please call her and ask. If its Johnson, Toussaint or other consultants, or is it WRT?

Lynette

I am missing the part of this e mail that explains what projects she is looking for. If you can give me this part of the information I can look for a resolution if there is one.

If you do, please provide us with a copy. If you have not done so, please proceed to have the approved resolution. If you have any question, please let me know. Thank you. Sandra.
