Re: Earth Day Event "Miami Riverday"

In response to an inquiry made by Mr Miguel Germain I have done some preliminary research on planned Earth Day events. Miami's Earth Day event for 2003 is coordinated into the 7<sup>th</sup> Annual Miami River Day Festival. The festival is Saturday, April 5, 2003 11 am – 5 pm.

Virginia Key Beach Park Trust could participate in the event at our own booth for no cost (\$50 "good faith" refundable deposit). This could be a good opportunity for the Trust to build relationships with the environmental community. We have very little time to make a decision on this event and I ask that interested Trustees make contact with me to discuss logistics.
