Incident Report

All incidents of significance that occur on Historic Virginia Key Beach Park and/or in the line of duty **must be reported to director of operations**, 305-960-4603, upon occurrence.

Weekend Activities Report:

Saturday, October 4, 2008

Park opened on schedule, at 7am. Due to the weather I kept Shauntavia Collecting fees until 12pm, I stopped fee collection then, and put her on Janitor labor so that she may finish her hours. Lasonya called in with a personal problem and did not come in to work. Anthony the train operator called in and I told him not to come in due to the weather. Jerry and John worked the entire day.

Incidents:

There are no incidents to report.

Weekend Activities Report:

Sunday, October 5, 2008

Park opened at 7am, the park was completely flooded around the playground and the main office, in front of the operations container, the green area in front of the park. For those reasons I did not run the train. All of the employees were on cleaning labor and organization. We had few customers due to the bad weather.

Incidents:

There are no incidents to report.
