

Park Operations – 2006-2007 Budgetary Goals

Guy Forchion
Director of Operations

The 2006-2007 Virginia Key Beach Park Trust Park Operations budget is designed to prepare historic Virginia Key Beach Park for re-opening to the public in 2007.

To achieve this goal the addition of full and part time park operations staff salaries and other costs are included along with additional funds in several budget lines related to park maintenance, equipment storage, repair and utilities.

Park Operations – 2007-2008 Budgetary Goals

Guy Forchion
Director of Operations

The 2007-2008 Virginia Key Beach Park Trust Park Operations budget is designed to prepare historic Virginia Key Beach Park for re-opening to the public February 1, 2008.

To achieve this goal the addition of one full-time and several part time park operations staff are needed. Staff salaries and benefits costs are included in the budget along with additional funds in several budget lines related to park maintenance, new equipment and supplies, equipment storage, building and equipment repair and increased utilities costs.
