

**Virginia Key Beach Park Trust
YMCA Summer Marine Biology Camp – 2008**

Three (3) locations have been identified as the area that would accommodate the YMCA educational village. The village will house two (2) 20x20 a/c tents that require close proximity to electrical infrastructure, one (1) 40x40 or 40x60 tent, one (1) YMCA 40x8 storage container for equipment and one (1) 40x8 storage container for kayak storage and marine/aquatic equipment.

Restrooms, showers and changing space are needed.
Refrigeration and food storage and prep area is needed.
YMCA office space and medical/first aid accommodation is needed.
Kayak launch area and storage should be relatively close to the shoreline.

The AREAS:

1. North restroom area
2. Near the VKBPT Administrative Building
3. Near the Historic bath house/concession stand
