File Number(s)
This does not relieve the applicant from
the responsibility to obtain any approvals
or permits which may be required by
Federal, State, County or Municipal law.

Event Site Plan
Backyard Monsters BBQ
Presented By Like Minded Events
May 29, 2017

Prepared For
Florida Fish and Wildlife
Conservation Commission

SUMMARY:

- Perimeter Fence (8' Tall)
- Black Vision Screen on Fence Panels
Near Beach to Help Contain Lights
- Event security monitoring beach after dark, ensuring
that attendees do not pose a risk to nesting sites
- Notifying all vendors that only approved, long wavelength
lights may be used (includes bars, concessions, and restrooms)
- Ensuring all light towers are within compliance and directed
downwards and away from beach
- All setup and breakdown scheduled for daytime hours
- Ending event at 11PM (instead of city-approved 1AM)
- Height and color of stage lights included on page 6
