

March 29, 2018

Ms. Tracey Paige, Executive Director  
Juvenile Diabetes Research Foundation (JDRF)  
3411 NW 9<sup>th</sup> Avenue, Suite #701  
Ft. Lauderdale, FL 33309

Dear Ms. Paige,

Once again the Virginia Key Beach Park Trust is delighted to support the Annual JDRF Hope Promise Dream Ball 2018 with an auction item donation of the complimentary use of the Historic Virginia Key Beach Park "Chickee Village Picnic/Event Area".

The Chickee Village Area consists of over one (1) acre of tropical near-shore beach area with a large 20' x 22' authentically constructed native American Chickee hut; approximately six (6) additional picnic table covered Chickees; and ten (10) complimentary vehicle entry passes are valid throughout the day with full in/out access.

The Chickee Village area is a natural area (no electricity) available from 7am – Sunset for large parties or small events up to 500 guests; a volleyball net area is included in the area.

This is a wonderful location to hold a corporate annual picnic or other large outdoor activity.

This donation package is valued at \$2,500.

We hope that our donation of "the Chickee Village" will help JDRF reach its fundraising goals for 2018!

Sincerely,

Guy Forchion  
Executive Director
