

For his unyielding support of cultural, historic and environmental preservation, the right for South Floridians' to have adequate public park space and public access to waterfront areas we recognize:

Dr. Greg Bush

He has been a constant champion for people with special needs, public representation in the planning process of public land and a special friend to Historic Virginia Key Beach Park.

From the Board of Trustees and Staff of the Virginia Key Beach Park Trust and friends of Virginia Key.

Dedicated Saturday, April 22, 2017 (Earth Day).

For his unyielding support of environmental preservation, cultural and historical preservation, the right for South Floridians and visitors to have adequate public park space, and full access to public waterfront and natural open spaces, we recognize Dr. Greg Bush's long and dedicated service.

He has been a constant champion for people with special needs, for public participation in the planning and development of South Florida public parks and spaces, and has been a special friend to Historic Virginia Key Beach Park, even writing an acclaimed history of the site in *White Sands | Black Beach*.

It is with deep respect and admiration that the Board of Trustees and Staff of the Virginia Key Beach Park Trust join with all friends of Virginia Key to honor.

Dr. Gregory W. Bush
