

*Friendships*

*There are those who pass like ships in the night.  
Who meet for a moment, then sail out of sight  
with never a backward glance of regret;  
Folks we know briefly then quickly forget.  
Then there are friends who sail together  
through quiet waters and stormy weather  
helping each other through joy and through strife.  
And they are the kind who give meaning to life.*
