

JAMES M. CARSON
ATTORNEY AT LAW
MIAMI, FLORIDA

COPY.

January 18 - 1916.

Dear Judge Farris -

If I were able to write you fully concerning the reasons why I think you should make an Everglades fight of your campaign I have no doubt you would come down at once to go over the situation and confer with those specially interested.

But the subject is too complicated and too intricate to write about at length, even if I were willing at this stage of the campaign to put all the reasons I can think of in writing -

Yours

JMC
