Hon. W. V. Knott,
Tallahassee, Fla.

Dear Mr. Knott, -

Your letter of recent date was forwarded from Jacksonville to me here.

Before deciding definitely whom I shall support for Governor, I should like to know what is your position with reference to drainage of the Everglades, and what plans you have for their early reclamation, if you have any.

This is the most important question with which our next governor will have to deal, and is especially important to the people of this county.

Naturally, we should like to know as definitely as we may what your attitude will be, and what your plans are, with reference to it.

An early reply will be greatly appreciated.

Yours very truly,

Signed James M. Carson
