Mr. H. V. Calder,
Ft. Lauderdale, Fla.

Dear Mr. Calder;

I have received the copy of the Booklet which Governor Broward used in his 1904 campaign and which contains his autobiography up until that time. I have been informed by the person, from whom I secured this Booklet that it is the only copy of the booklet left in Florida. I have been enjoined to be very careful with it and to return it, therefore I must lay that same injunction upon you. If you will be in Miami at any early date and will call at my Office in the Burdine Building, I shall be glad to hand it to you.

Yours very truly,

JMC:AC.
