Mrs. J. A. Corbet,
26 Barnett Bldg.,
Jacksonville, Fla.

Dear Mrs. Corbet;

I am very much obliged indeed for the copy of the Broward Booklet, which you sent me. I shall take very good care of it and shall be sure to return it to you. If it is not imposing too much upon good nature, I would still be more in your debt if you can let me have some of the maps which the Governor used in his 1904 campaign. I ^{do} hold this in connection with the Broward County Celebration but for another purpose which you will be able to deduce.

Very Sincerely,

JMC:AC.
