Hon. Ion L. Farris,

Jacksonville, Fla.

Dear Farris:

Please have your office at once give us the names of friends in different counties of the State, who can take charge of the work of organizing "Back to Broward Leagues" in those counties.

The Booklets are in the hands of the printer and every thing is ready for a whirlwind finish.

You may have thought we have been asleep but we have simply been waiting for the proper time.

Please let me have this information at once.

Yours very truly,

JMC:AC.
