Mr. Ralph A. Horton,
Ft. Lauderdale, Fla.

Dear Mr. Horton:

The Back to Broward League in Miami seems to be fairly well started on its way.

It seems to me that it would be easy for you if you make the trip to Palm Beach to convince them that, if they fail to organize such a League they will not receive the consideration that the lower counties will get.

Therefore I suggest that you make your plans to go to Palm Beach at once on this matter.

Yours very truly,

JMC:AC.
