Judge Ion L. Farris,
Suite 503 Bisbee Bldg.,
Jacksonville, Florida.

Dear Judge:

If you are convinced by this time that Senator Hudson is not going to withdraw in your favor, I suggest, that you use the reply to his statement regarding the Everglades which was prepared for use two months ago.

Also you ought immediately to reply to Mr. Knott's statement regarding the Everglades and put him on the defensive on that issue from this time on.

Yours very truly,

JMC/reb.
