My Dear Sir:-

I am still looking for the book giving some history of Gov. Broward. It is only a few days now until Mrs. Calder will have to have prepared a paper on his life to read before the Woman's Club, and if you are still unable to find the book would you give me such information as you have in mind I would appreciate it <sup>for</sup> very much.

I am inclosing the check you gave me on the Broward picture, but hope to take this matter up later. I will take particular good care of the book and return it in a few days yours truly
