possible during next week.

I am emphasizing this meeting because I know its importance and know that it should be emphasized. I have never seen a situation in Politics which presented more opportunities and possibilities but, it requires prompt and decisive action not only upon my part but also upon yours.

Yours very truly,

JMC/reb.

Enclosure:

3) for the state and for this
project all the lands illegally
granted which the Courts will
allow us.

(4) I will save all the land
for the state that I can, but
the land I save will be drained
land and have some value.
