Hon. Ion L. Farris,
Jacksonville, Fla.

Dear Judge Farris:

Although you were defeated for Governor in the Primary, which has just passed, I think you came out of the race with many more friends than you ^{had} ~~did~~ when you went in.

You made a real upstanding fight in the face of most difficult and trying circumstances. Not only do I not regret my support of you but I am proud of it.

When you have time and feel in the mood for it, please write to me about the situation and tell me just what you think of it.

Yours very truly,

JMC/AC.
