Judge Thomas F. McGarry.,

New York City.

Dear Sir:

Enclosing confirmation of wire sent to you today I beg to say that for some weeks now I have been a very busy on the Big Cypress deal & had with me yesterday Mr. G.A. Bridges who represents Mr. J.E. Connelly (27 William St) and others who want to purchase the cypress and are financially able to handle the proposition if Mr. Bridges reports favorably on same--which I am sure will be the instance.

I can personally take Mr. Bridges to the property; it will not take us over a week or ten days to inspect same and I am sure it will pay you or Mr. Canty to see Mr. Connelly at the earliest possible moment.

I am, with kindest personal regards,

Very truly yours,

JFJ:H
