Dear Mr. Deane:--

Yours Aug 31st received today: just returned from a trip to Orlando and the central portion of Florida.

Note your copy letter to Mr. Harrison, and that you would confer with him in next thirty days.

Received letter from Mr. Ingraham and he says he has written you requesting you to put your proposition before him in an understandable manner, and that if you can show your ability to purchase, and handle these lands in a good business like manner that he would be glad to co-operate.

An enclosing copy of letter I sent Mr. Livingston, it will do no harm to get Mr. Dewhurst to make him a direct offering.

The First National Bank, and the Bank of Bay Biscayne both of Miami ask that you write them direct requesting the subject matter of what you desire, received copy of letter from Mr. Bradley of Bank of Homestead to you.

Will send you some booklets in a day or two.

Trust to see you soon, hope Mr. Markle took opportunity to call on you.

Personal regards,

cordially yours

J. F. Jaudon.
