

MOORE HAVEN HOTEL

MOORE HAVEN, FLA.

Capt J. Frank Fardon
Miami Fla.

Dear Friend Captain:

A gentleman

whom I have met here -

Mr. J. C. Davis of Kissimmee -
is looking for a large
tract of Pine and Cypress
timber land, and knowing you
had what he was looking
for, I have referred him to
you -

He wants information,
maps if you have them,
and price - to include
his commission which is
to be Twenty-five cents per
acre - The parties he
is looking up the timber

for, are men of large means.

I can recommend the
doctor as being thoroughly
reliable in every way -

Trusting that you may
get together for your mutual
benefit -

I remain

Your friend
Ed. J. Moffat.
