

Miami Fla July 9th 1924

Dear Mr. McCord:

Dont mis-understand me on "putting the soft pedal" on re-tail land sales-----I mean until after ELECTION.

As we sell large acreages the buyers will of course will have to prepare a sales plan and "get set" before winter.

But pending result of the election we should get the publics mind OFF THE SUBJECT that we are authorizing and re-tail sales-----and that we are concentrating ON THE COMPLETION OF THE TAMiami TRAIL.

Yours Sincerely

Am sendinf you one of my new maps.
