Capt. J. F. Jaudon,  
Miami, Fla.

Dear Captain:

I received a letter from you while I was in New York and also received several newspaper clippings which you sent me, and which I read with much interest.

The attitude of the president of the Chamber of Commerce and the afternoon paper, smack more of Collier partisanship than of real interest in the Tamiami Trail or interest in the welfare of the tax payers of Dade County. I am glad to see, however, that the Herald seems to be right on this matter and it would appear from their latest editorials and the report of their representative who went to the West coast, that they are going to stand firm and help us in the fight.

I had expected to be down at Miami long before this, but have been delayed on account of financial matters and trying to arrange to keep the work going down there. I will probably be down there, however, within a short time.

I am glad to know that you are improving in health and hope to see you soon and talk with you over matters.

With best regards to Mrs. Jaudon and yourself, I remain

Very truly your friend,

McD:S
