Captain J. F. Jaudon ,
Ochoppee , Florida

My dear Captain :

You failed to send me Mr. Farwell's letter and the regulations. I have written Mr. Farwell today for a full list of blank forms but I believe it will be necessary for us to get together to fill them out properly , you know they have to be acknowledged . Colonel Lynn is just back from Miami where he has had a serious operation but is able to be up . Mr. Wittmer is intensely interested in the rum and after an exchange of messages has set August the first for a meeting . I really think if we could set up the Sugar Cane Plantation properly and we could get a release or part of the mortgage subordinated without question we ought to be able to get the money .

With kind personal regards , I am ,

Very truly yours ,

W. H. Cralle
