July 30th - 31.

Capt. J. F. Jauden.
Ochopee. Fla.

My dear Captain - Enclosed find letters
of Mr. Farwell, I wish you would
write & send me the way you would
answer the questions as bracketed by
Mr. Farwell. I have now all the
papers to prepare the Application, but
I want to have them prepared so we
can get this loan. If we can so prepare
the Application that Mr. Farwell will
recommend it, the balance will be
easy. You have the Circular which
you failed to return, so you should
be able to answer the bracketed
questions. I am still of the opinion
before the final draft of application is
made, we should get together
& work it out. Regards -
Respt. W. H. Sewell

Please return quickly.
