Capt. J. F. Jaudon.  
Ochopee, Fla.

My dear Captain. Mr. Alton says we will get the loan in 30 days after we submit the facts & I must see you to get them.

First I want legal description of the land.

2 Corporate papers - (I have)

3 Evidence that the land is worth \$250000 and that much is in it.

4. Certified copy of last sale of any lands adjacent or in that vicinity.

Can't you bring them up. I would come down, but my eyes will not permit driving a car. Col Lynn does not feel equal to driving a car just now.

His gets this application filed at once as Alton says Mr. Fikes is more than willing to lend & get things going.

If you can not come, let me know what days of the week you will be at home. With kind regards to you & Mrs Jaudon - I am very sincerely
