Capt. J. F. Jaudas-
Ochope - Fla.

My dear Captain. Dew-Tromwell has been working with me on P.W.A. (Public Works) to get our project financed, so as not to come through a Mortgage Co. but there is no loop hole that we can enter there, for they loan nothing for private profit. He is arranging to go before the P.F.C. board with me as soon as Mr. Jones the Chairman can arrange, Jones is busy before Congress trying to get Extension of P.F.C. more money, about one billion dollars. I write you this to give you progress - I am waiting on Mr. Lynn to see if Nat. Campaign will sponsor the loan, also hoping to hear from Mr. Purcell about it, with this financial statement -
