My dear Captain - I am enclosing you a letter from Mr. Block to Sec. Fletcher - you will see they require this loan to come through a Mortgage Co - So I have wired Mr. Taylor a day letter, copy of which I also inclose - I have a letter from Mr. Pursey, who states the 1st Nat Co. could hardly sponsor the loan & if it could Col Alderman, does not favor it - I am sending that letter to Mr. Lynde. So he can talk with Alderman, in case I find out if that Company can meet the requirements - Secs. Fletcher, Trammell & sine, will go with me before P. F. C. at 10^{am} tomorrow we are going to try & get around the Mortgage Co's requirements if possible - Sec'd. see if 1st Nat Co. fills the bill - 3rd foot & receive favorable reply from Mr. Taylor about Morris Bausc - then will press claim
