Capt' J.F. Jaudon  
Ochopee, Fla-  
Dear Capt'

I saw Mr Cralle at his home few minutes ago and he has letters from Six U S. Senators and they promised to give him their assistance when he came and was ready to submit his proposition.

The names of the Senators he has letters from, as follows.  
Sen' Dial, Sen- Wagoner, Sen- Glass, Sen- Byard, Sen- Bailey, Sen- Walton Moore and Sen- Lattiner. Mr Cralle, said he wished you could go with him to Washington and confer with Senator Fletcher, as he felt this being a Florida proposition, it should be presented by Fla- Senator. and he regarded Fletcher the best man to present the matter. While he knew him, personally he would not have the Pull with him as you would have from a Political stand point, and he knew that both Fletcher and Trammell would give the matter their best efforts, especially if YOU was there to meet them personally and ask them to lend their assistance in the matter, as he knew you being a Fl- Voter- and Sen- Fletcher would do every thing possible for you, as also Trammell, as he felt the matter should be presented to the proper Dept' by Fla- senator. and while he knew both Fletcher and Trammell. He knew they would do more for you that it would possible to get them to do for him.

I promised Cralle I would submit this matter to you for your consideration and I felt you could and would arrange to join him and run up to Washington, and help him present the matter to the above Senators including Fletcher- but your presence would be a big help, Especially with Fletcher and Trammell. Also he said you need to spend over a couple days in Washington, as all the above named parties would be there and Your personal appeal to Fletcher would be a wonderful help. Will thank you to give this due consideration and advise me if you dont think it would be the wise thing for you to go with him and spend day or so and make a personal appeal to Fletcher.

This done and if you will have the legal discription of the land so a Mortgage can be drawn by Cralle's Atty' also decide on the name of the company which you select and have Mr Taylor get the information from Tallahassee the name of the company you select can be used. I feel confident the matter can be brought to a close with out delay and your presence I know will serve to put the matter over while there and then we would be ready to start the ball rolling.

The Rail~~s~~ Roads are giving special rates to all points and the expense of such a trip would be nominal and I hope you may decide to hit the trail with Cralle and No question in my mind as to getting results on the spot. will await your early and trst~~s~~ favorable reply. Mr Cralle is much better and by the time he is ready to go am confident he will be in fine shape.

Sincerely Yours Truly
