Re: Florida Land

Dear Mr. Jaudan:

As yet we have not had a reply from you to our last letter. We did receive a letter from Mr. Paul Taylor, full of evasions and promises to commence a foreclosure that should have been commenced a year ago. We do not care for any more letters from Mr. Taylor, but we do want to know what you are going to do.

My people are constantly bombarding me with inquiries as to why they do not receive any money, and criticising my leniency with you. They are insisting that I foreclose our mortgage, and attempt in some way to salvage our land from tax sales.

We must have results, and we must know definitely what you can do, and are doing. Kindly do not fail to give me an immediate and detailed statement of what you propose to do.

Very truly yours,

Trustee.
