Dear Sir:-

Mr. A. W. Hopkins of Granville, Illinois, forwarded a telegram from you, relative to his southern Florida land. I am looking after this proposition for him. I have parties at work on the proposition now, and would not care to quote prices or terms to any one else for the next 60 days. If you will write me about Dec. 1st, I can perhaps, give you better information in the matter.

Very truly yours,

JHM:LD

*Is that sort of land  
"moving" to any extent now?*
