Capt. J. F. Jaudon,
Miami, Florida.

Dear Capt. Jaudon;

Am inclosing herewith cropping contract, together with check for first payment, which is the first Blood.

I have been out of town all week, and have things in excellent shape.

I want to thank you very much for the cooperation extended on the Altoona Real Estate Board.

We have sold to date a little over 300 acres, but as most of it has been paper, it will take a few days to handle it.

I am going to ask you to bear with me for a few days on your \$400.00 advance, as I must handle some of this paper, but the moment I do, which should be the middle of the week, I will wire your \$400.00, as well as the balance due for the final Royal Palm Sugar Cane & Planting Co. Corporation expense.

Another two weeks will put us over the top, I am sure, in very good shape, and nothing will give me greater pleasure than to advance money as fast as we get it, so as to assure the early planting of sugar cane.

With every good wish to yourself and Mrs. Jaudon, and assuring you that we have a Winner, we are

Very sincerely yours,

PRESIDENT.
