Pennsylvania.

( Attention of Mr. B.C. Small Vice-President. )

Gentlemen:-

Acknowledging receipt of Contract in triplicate, and Check to Bank of Homestead for \$ 180.00 covering Lots, 31 and 32 of Section 28. Township 59. South Range 37. East.

We will sign this contract, and the ones here-to-fore received just as soon as our Charter is returned to us from Secretary of State, and our Seal arrives.

Have been having some wonderful weather, wish you were down here to enjoy it with us.

You have no doubt noted that there is an effort on to "make the Season longer", in other words to get the Railroads to make a very low rate for "homeseekers" from April 15th to June 1st or some such dates; if we succeed in getting this we can no doubt get a great number of our Pennsylvania people to come down and see us.

Personally I have been quite ill, but am better now.

Kindest personal regards, I am

Most sincerely yours

J. F. Jaudon, President  
Royal Palm Sugar Cane and Plantation
