## ARE YOU INTERESTED IN OIL FOR MIAMI? WILL YOU HELP US GET IT?

Unforeseen circumstances over which they had no control affecting the finances of the Miami Florida Oil Co. to the extent of approximately eight thousand dollars caused them to stop drilling operations. The officers and directors believe more than ever in the prospects and possibilities in the test well, located 42 miles west of Miami, on the Tamiami Trail.

In order to help continue drilling, the Miami Oil Land Company having leases in the vicinity of the well, is offering for sale oil leases at from \$5 to \$10 per acre, in blocks of not less than ten acres, and the

ENTIRE NET PROCEEDS WILL BE DONATED  
TO THE MIAMI FLORIDA OIL COMPANY  
FOR ITS DRILLING AND OPERATING WORK  
ON THE TAMIAMI WELL

All net proceeds are for drilling only; no salaries or fees are paid to officers or directors.

### WHAT WOULD AN OIL FIELD DO FOR MIAMI AND YOU?

LEASES ON SALE at 10 o'clock Monday morning, in office of William L. Phillips, who has donated the use of his office, free of charge, for this purpose.

All offerings subject to prior sale, or to withdrawal, or to change of price without notice.
