Ochopee, Fla-
Dear Capt'

Replying to your favor, Have confered with my party and we plan to come see you and your proposition, Next Thursday, leaving here and plan to arrive before noon.

This man is in line to handle such a proposition, as you have in mind- as he is in touch with men who are interested in the sugar interest and there is plenty money available to put over a real BIG SUGAR proposition.

We will not be able to go on to Miami as you sugested, as my party is very busy, but no doubt you can give all necessary information as to what can be done with the Miami interest and later, we can make trip to Miami with you and work out all details.

If nothing comes up to up set our trip, will plan to see you thursday. Best wishes, I am

Sincerely Yours Truly

J.P. Jandon
