Honorable W.V.Knott, State Treasurer,
Tallahassee Florida.

Dear Mr.Knott:-

It has been a long time since I have written you, but I have kept up with your activities and progress; I have been doing the same old thing, promoting roads, enterprizes, and industries to South Florida.

Am now trying to get a sugar plantation financed, same to be located on my lands in Collier County on the Tamiami Trail.

Have spent many thousand dollars in securing the best agricultural engineers reports etc, in fact as you know the past seventeen years of my life has been spent on the development of the Tamiami Trail and the industries along same.

In presenting my proposition it would aid me greatly to have a letter from you stating your acquaintanceship and knowledge of me and my activities for the upbuild of Florida.

I will thank you very much for such a letter.

Trust that time has dealt gently with you and yours, and Mrs.Jaudon asks me to convey her kindest regards to you and yours in which I most heartily join, I am,

Cordially and truly yours,

J.F.Jaudon.

P.S.----I forgot to state that we are living out here on the Tamiami Trail 73 miles west of Miami; we have quite a sugar cane plantation, about forty acres in Sugar cane. expect to extend our acreage very largely this season; in other words we can now actually show what can be done on our clayey limestone lands in sugar production; our Postoffice address is OCHOPEE FLORIDA.

Jaudon.
