Dear Capt' Jaudon

Cralle has some strong letters and he is planning to meet the President at Warm Springs in a few days. Waiting word when he can see him. probable leave here not later than tuesday.

ONE IMPORTANT THING WE HAVE OVERLOOKED. Is not to have some pictures of the buildings, showing men can be housed. to go to work. Picture of the Light and Packing plant below you also the houses, in fact should have pictures of all available houses, and include the new building and grounds ready to plant in tomatoes if you could get a Large Kodak and get some pictures in next few days send them to Cralle at his Wasington Address which you will have soon as he arrives there, I feel the pictures would be a big help. If possable with out going to too much trouble, hope the pictures can be had in next few days.

Will thank you to advise me if you think the pictures can be had. Best wishes to Mrs Jaudon and your/ self, in which Mrs Lynn joins me, I am
