Capt' J.F.Jaudon
Ochopee, Fla-
Dear Capt'

I think it is important that you have Mr Taylor, Confer with Proper authorities and see if the name of the company which may be selected is available, so no time will be lost to get a company formed so deal can be closed promptly.

I think I mentioned this matter to him, while at your house, but for fear he has not given the matter attention, suggest you take the matter up with him and get it in shape for QUICK ACTION.

Its up to name the company, I think we suggested a name as follows but I feel the name is up to you.

What would you think of following sugestions for a name ?.

FLORIDA SUGARE AND DEVELOPEMENT COMPANY (No 1)

FLORIDA SUGAR AND FARM COMPANY (No 2)

Personally, I like the name of No 1- but any name you sugest will meet our approval.

I fear Mr Cralle may be delayed in getting away to Washington, as he was hoping to get away early this week, but was to see him later yestarday afternoon and he was not feeling well. But am hoping he will soon get on his feet and hit the trail, as Time is slipping and we need early action.

Note the President will return to Washington to morrow and if Cralle gets feeling able to get away we should get matters under consideration this week, which I feel is very important.

As sugested in my last letter, like for you to send the Kodak Pictures and any other matters you may want Cralle to have, to me as soon as possible and perhaps I can deliver them before he leaves which will save time. AS TIME is the IMPORTANT matter for us at this date. as am hoping Cralle will be able to get the deal approved and details worked out early this month.

He has planned to engage some prominet Atty' who can give the matter personal attention and this will help to bring details to an early conclusion, which I feel is SO VERY IMPORTANT. Best personal regards, I am

Sincerily Yours Truly
