

THE NAPLES IMPROVEMENT COMPANY

GENERAL OFFICES
OUTLOOK BUILDING COLUMBUS, OHIO

January 23, 1924.

Mr. J. F. Jaudon,
Miami, Florida.

My dear Jaudon:

I have talked some with Mr. Hartley about going to Florida, and it looks now as though he was going to join me at Naples about the 15th or 20th of February.

In case you plan going up in that direction, I was wondering if you could make your plans so as to be in Naples while we are there. I hope to be able to stay from about the 15th of February until about the first of April. It will depend on the coal situation which is somewhat undetermined as yet.

I am still making an effort to get a railroad connection there, but have nothing that entitles me to say very much about it as yet. I shall continue to do my best.

With kindest regards to you and Mrs.
Jaudon, I am,

Very truly yours,

Dict J S J
