

THE NAPLES IMPROVEMENT COMPANY

GENERAL OFFICES
OUTLOOK BUILDING COLUMBUS, OHIO

September 15, 1924.

Mr. J. F. Jaudon,
321 N. W. Fourth Ave.,
Miami, Florida.

Dear Mr. Jaudon:

I find that I neglected to answer your letter of August 27, partly because I have been away from the office a great deal of the time since its receipt, and I am leaving tomorrow for Washington with Mrs. Jones, by motor, to be gone about ten days.

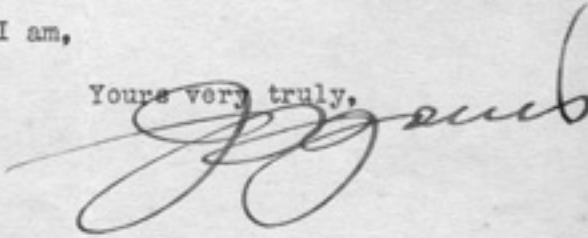

While in Washington I will endeavor to get some information on the Florida railroad situation generally, and the possibilities of a connection between the east and west coast in particular, and will hope to be able to write you on my return the latter part of this month.

Meantime, I understand from Mr. Hartley that the cypress people are making some progress in their negotiations for the timber east of Naples.

It occurs to me that everybody will be better able to decide what can be accomplished after election, and I doubt very much whether you could find anybody willing to go into a proposition of any magnitude before that time.

With best wishes, I am,

Yours very truly,

Dict J S J
